

# Specialty Vehicles

To get a Specialty Personal also known as a Specialty vehicle, there are a few basic steps.

ALL VEHICLES MUST BE LORE FRIENDLY. This means that they cannot have any IRL brands and must be materially different from IRL vehicles.

All vehicle yft's must total to under 300k poly's

## Get Started:

### Find a Vehicle:

You need to find a vehicle that you are interested in placing in your personal slot. There are endless possible places to get Civilian vehicles with the primary requirement that it is **Lore Friendly**. We have provide Links to a few Free and Paid resources for vehicles below.

BEFORE YOU PURCHASE A VEHICLE, CONTACT A SALES TEAM MEMBER FOR SLOT PRICING FOR THAT TYPE OF VEHICLE

- [GTA5-Mods \(FREE\)](#)
- [XtraMile \(PAID\)](#)
- [BetterMods \(PAID\)](#)

### Get a Slot:

Now, that you have selected your vehicle file and had it made. You need to purchase a Specialty personal slot.

1. Contact a sales team member for the pricing and custom payment instructions for a Specialty slot.
2. To do this head over to [VistaGarage and go to Purchase Vehicle](#). Select Specialty Vehicle Slot and then provide a tbx- ID from your slot purchase on the Tebex Store.
3. Your purchase will require manual finance approval. Once it is approved, you will be able to provide the link to your vehicle file.

### Development:

Your vehicle is now in development, we ask that you are patient while your vehicle goes through the development process. There are a few things to note while your vehicle is in development.

- Watch for a DM from Vista about status updates and changes to your vehicles status.
- Add-ons can only be worked after development has been completed.
- Trust can only be set after development has been completed and your vehicle has been transferred into the server.
